TUESDAY 19 JULY 2016, 14:00-15.30, RM: MOUNT MERU HALL

www.africawaterweek.com

6th Africa Water Week 2016

18-22 JULY 2016 ■ JULIUS NYERERE INTERNATIONAL CONVENTION
CENTRE ■ DAR ES SALAAM ■ TANZANIA

IWA
the international
water association

Shaping our water future

Addressing nexus challenges is limited without suitable multi-purpose infrastructure (natural and built) and adequate assessment of intersector and environmental impacts. As regional and national authorities and their development partners influence investment pathways for development projects, this event explores integrating the nexus into investment plans and balancing trade-offs and co-benefits. The event will convene practitioners across the water, food and energy sectors, governments, river basin organisations, regulators, industry leaders as well as financial institutions.
